MRS. JULIA L. ANDERSON NELSON.

Mrs. Julia Lee Anderson Nelson, widow of the late William Nelson, passed away at 6 o'clock this morning at the home of her niece, Mrs. Robert B. Owens, in West Third street, aged 74 years. She had been complaining for some time, and while her death was a surprise it was not unexpected.

She was born near Washington February 18th, 1835, and was the daughter of John L. and Susan Lee Nelson.

She was a most excellent and cheerful Christian woman and a devoted member of the Central Presbyterian Church. She leaves one sister, Mrs. J. L. Lane of New York City, and many other relatives in this city and county.

The funeral will probably occur tomorrow afternoon, and the interment will be at Lee-wood Cemetery near Washington.

SPEAKING figuratively, Commander PEARY went off on a tangent in abusing Dr. Cook.

We should put our North Pole discoverers under the civil service so that they could be discharged for talking too much.

It is said that the Esquimos never bathe, not even their hands. To make up for this they never make speeches and claim they discovered the North Pole.

MRS. RUTH BRYAN LEAVITT, like her distinguished father, revels in the limelight. Now it is said she has formally announced her candidacy for the Democratic nomination for Congress from the First District of Colorado. Mrs. LEAVITT should have continued to help her father instead of helping herself to a big mess of musty and masculine politics.

THE world will never be satisfied with the verbose bosh of Dr. COOK and R. E. PEARY exploiting their so-called discovery of the North Pole, and until a party of half dozen or more Americans, or some other creditable and reliable men, go to the apex of the earth and establish the fact beyond any scientific doubt, the exact location of the Pole will remain a greater mystery than ever.

McAuliffe and Mrs. Julia Fredonia.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. AFTER DOCTORS FAILED

Lydia E. Pinkham's Vegetable Compound Cured Her.

Willimantic, Conn.—“For five years I suffered untold agony from female troubles, causing backache, irregularities, dizziness and nervous prostration. It was impossible for me to walk up stairs without stopping on the way. I tried three different doctors and each told me something different. I received no benefit from any of them, but seemed to suffer more. The last doctor said nothing would restore my health. I began taking Lydia E. Pinkham's Vegetable Compound to see what it would do, and I am restored to my natural health.”—Mrs. ETNA DONOVAN, Box 209, Willimantic, Conn.

The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled. It may be used with perfect confidence by women who suffer from displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration.

For thirty years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills, and suffering women owe it to themselves to at least give this medicine a trial. Proof is abundant that it has cured thousands of others, and why should it not cure you?

Remember when you are hurting another man's reputation you aren't doing your own any good.

Worthy of Confidence An Offer Backed by One of Our Most Reputable Concerns

I pay for all the medicine used during the trial, if my remedy fails to completely relieve you of constipation. I take all the risk. You are not obligated to use in any way whatever, if you accept my offer. That's a mighty broad statement, but I mean every word of it. Could anything be more fair for you?

A most scientific, common-sense treatment is Rexall Orderlies, which are eaten like candy. Their active principle is a recent scientific discovery that is odorless, colorless and tasteless; very pronounced, gentle and pleasant in action, and particularly agreeable in every way. This ingredient does not cause diarrhoea, nausea, flatulence, griping or any inconvenience whatever. Rexall Orderlies are particularly good for children, aged and delicate persons.

If you suffer from chronic or habitual constipation, or the association or dependent chronic ailments, I urge you to try Rexall Orderlies at my risk. Remember you can get them in Maysville only at my store. 12 tablets 10 cents; 36 tablets 25 cents.—The Rexall Store, Thos. J. Chenoweth.

Relief is but temporary if the cause remains.
Cure the kidneys and you cure the cause.

Doan's Kidney Pills cure kidney ills.
Prove it by your neighbor's case.
Here's Maysville testimony:
The story of a permanent cure:
William H. Paul, 333 East Third street, Maysville, Ky., says:

"For two years I had pains in my back and other troubles, caused by disordered kidneys. When Doan's Kidney Pills were brought to my attention I began their use and they soon brought me relief. I cheerfully indorse this remedy as one that lives up to the claims made for it."

The above statement was given on December 13th, 1904, and on February 6th, 1905, Mr. Paul added:

"My opinion of Doan's Kidney Pills has not changed since I first recommended them. My cure has been lasting and I am now in good health."

For Laundry Use.

Is a very high grade of bluing and specially prepared with the utmost care. Gives clothes a bright, fresh shade, with a beautiful lustre. It does in no way streak the clothes, as these cheap, inferior grades do. Many of the finest laundries throughout the country use this bluing daily with perfect satisfaction. You will like it.
One ten cent powder, put into a quart of clear fresh water, will make you as much excellent bluing, in liquid form, as you pay 50 cents for, and of a much better quality. You can make half a pint of excellent blue ink by dissolving the powder in half pint of water. Prepared by
